

## WEEKLY GOLF GAMES

**ACES WILD:** Keep putts. At the end of the round, deduct the number of “one” putts the player had from the total score and deduct handicap. A player who chips (off the green) into the hole, may deduct 2 strokes. If the player exceeds 10 strokes before getting on the green, place ball at the farthest spot on the green from the hole and putt from there. Post gross score.

**CRIERS:** At the end of the round, the player chooses 2 holes to revert to par. Deduct full handicap to determine low net score. Post gross score.

**THROW OUT WORST 2 HOLES:** Same as above but player deducts strokes from 2 holes thrown out.

**TWO BLIND HOLES:** Two holes are chosen by the Pro Shop to be thrown out after the start of play. Players do not know which 2 holes until play is completed. Deduct handicap to determine how net score. Post gross score.

**LOW GROSS, NET:** Winners will be the low gross and the low net scores (usually by flights). Post gross.

**LOW GROSS, NET, PUTTS:** The same as above except also keep track of putts. Winners are Low Gross (by flight); low net (by flight); and low putts (1 overall winner). If player exceeds 10 strokes before getting on the green, place ball at the furthest point on the green from the hole and putt from there.

**FLIGHTED LOW NET:** Gross score minus handicap determines winner. Post gross score.

**SCRAMBLE:** Scramble format can be 2, 3, or 4 person teams. Each player will hit a tee shot, the team will then choose the best tee shot and all players will play their second shot from that spot. Continue until the ball is holed. Do not post scores.

**TEXAS SCRAMBLE:** Same as Scramble but each team must use a minimum of 2 drives from each player.

**DROP OUT SCRAMBLE:** Same as Scramble except that the person whose ball has been chosen cannot hit the next ball except that everyone putts.

**4 CLUBS AND A PUTTER:** Play using 5 clubs including the putter. Do not post scores.

**TEE TO GREEN:** Players record number of strokes from tee to green. Play continues to include putts but winners are determined by strokes from tee to green. Post gross score.
