

# BIRDIES, CHIP-INS & RINGERS - GENERAL INFORMATION

## **GAMES DEFINITION:**

### **Birdies & Chip-Ins:**

Every Birdie & Chip-In will be counted for every paid member.

Each time a paid member has a Birdie and/or Chip-In, the hole score on the scorecard should be marked with a circle, and a line to a written explanation as to if it was a Birdie or a Chip-In or both.

Birdies & Chip-Ins will be counted for any league day games at Quail Creek where the golfer hits her own ball from tee to green. They will NOT be counted in a scramble or alternate shot format.

### **Ringers:**

This game determines the best score a player has for each hole for the entire year; hence at the end of the year, the lowest gross and net scores for all 3 courses determine awards.

Each player must complete one round on all 3 courses.

Ringers are eligible on any league day's post-able score (completed round) at Quail Creek – this includes all play days, Member-Guest, no-frills, etc. They will NOT be counted in a scramble or alternate shot format.

## **COST:**

Total cost is \$5.00 per year for all 3 games.

Treasurer collects the money in the Pro Shop envelope and notifies the Coordinator who has paid.

Members can pay at any time, but the count does not begin until after the member has paid.

The \$5.00 will be divided between all 3 games for winnings.

### **TIME FRAME:**

All 3 games begin:

- January 1<sup>st</sup> thru April 30<sup>th</sup>, and
- November 1<sup>st</sup> thru November 30<sup>th</sup>.

### **SCORECARDS:**

Correctly marked official scorecards must to be turned in directly after playing.

Coordinator will e-mail a copy of the Birdie, Chip-In & Ringer masters to the Web Master to be put up on the Web Site three (3) times a year the week following:

- February 28<sup>th</sup> or 29<sup>th</sup>;
- April 30<sup>th</sup>; &

This allows each paid member to check and make sure that her Birdie(s), Chip-Ins & Ringers were recorded properly.
